Pat speaks at launch

Pat (Supported Living) recently made a speech on behalf of people we support at the launch of Shrewsbury Road. She did a brilliant job.

Paralympian Fran Williamson gave an inspiring speech saying "we can all achieve awesome things if we never give up."

Alan and Pat, from the Pro-Active Committee, with staff and guests at the launch. And with the cake!

Proactive

Vintage Tea Dance Fun

Thank you to everyone who attended the summer Vintage Tea Dance in Horley, organised by the Pro-Active Committee. There was lots of lovely food and drink, and everyone made things to take and share. The venue was perfect with lots of room and plenty of parking.

Celebrating the lives of the people Active Prospects supports

Getting in the holiday spirit

Lots of people we support have been making the most of the summer. Some took a holiday in Lanzarote and others visited Brighton and beyond!

Duncan, Paul and Helen (Rosedene) enjoyed a day at the beach in Littlehampton

Dan was thrilled to go to the Chelsea shop in Kingston to get his new football shirt!

Pro-Active Committee Update

The Pro-Active Committee has been consulted on a number of key issues recently:

- they were involved in the design of the survey recently sent to people we support.
- they led the planning for the summer celebratory event (Vintage Tea Dance).
- they looked at new safeguarding posters and everyone found them useful. They were also updated about how services are inspected by the Care Quality Commission now.
- they looked at the new 'This is me' form and put forward some ideas to make it better which have now been actioned.
- they looked at the new personal care booklet.
- they talked about creating a positive culture and about what this meant in practice. They came up with a number of ideas about how to make Active Prospects even better.

Reminder: Everyone is welcome to come to meetings

Forest Fairy Walk Fundraising

Well done to Pat and Alan who raised £327 for Bloomin Arts on a sponsored walk over two miles, and wearing fairy wings!

Justin (Millview) helped out by handing out leaflets at a recruitment event.

Michael had an amazing time visiting a Sci-Fi Show.

Don't forget the Pro-Active Committee meet with staff every two weeks. Have your say!
