

**Aspiring Prospects**

# START YOUR **CAREER** WITH US

**Are you 17 to 24 years of age, and have an EHCP?**

Are you looking for a training opportunity that will support you to develop professionally and personally, alongside other amazing young people? If yes to any of the above, then Aspiring Prospects could be for you.

The Aspiring Prospects programme is looking for 10 young people to join the team. These 10 young people must be motivated, driven and willing to learn. As one of the 10 young people, you will work on a range of projects, take part in training, and work with and learn from a range of professionals in business, marketing, fund-raising, retail, recruitment, office administration, horticulture, sports and fitness, and care and support.

To support your personal and professional development you will be encouraged to participate in lots of training opportunities, complete employment-based eLearning, and use work placement learning, as well outdoor, health, and wellbeing activities, to develop your work and life skills.

## Skills required to be a successful Aspiring Prospect:

- + You will be caring, kind and respectful of others
- + You will commit to working with other young people, as part of a team, completing a number of group work projects
- + You will take an active role in supporting yourself and other young people to achieve work and life goals
- + You will be willing to try new things, push yourself and work through challenges.
- + You will commit to attending and completing several work placements over the year
- + You will commit to building excellent relationships with all colleagues – peers, program staff, other key professionals
- + You will be ambitious, and enthusiastic about learning skills for work and life
- + You will play your part in creating a safe and supportive training and learning environment

If you would like to learn more or apply to join this fantastic training opportunity please call 01737 924 084 and ask to speak to the Aspiring Prospects team.

Good luck!!

In return for your commitment and effort the Aspiring Prospects team will support you to:

- + Develop employability skills and experience
- + Build your personal promotion skills, to help you impress potential employers when applying for jobs
- + Gain an understanding of what Work and Life Balance means, why it is important, and how to achieve it
- + Develop health and wellbeing knowledge and awareness, to prepare for life in and outside of the workplace

## Other benefits:

- + eLearning & face-to-face training
- + Opportunities to work with and learn from business professionals
- + Mindful and supportive programme team
- + 8 weeks holiday
- + Lots of fun, laughter, banter
- + End of year awards
